

PLEASE KEEP!
STERLING RECREATION MONDAY SKI/SNOWBOARD PROGRAM
INFORMATION SHEET 2024
PROGRAM ACCESS CODE: SRMSC

Program begins *Monday, January 8, 2023*. Program dates: 1/8, 1/22, 1/29, 2/5, 2/12, 2/26, (No 1/15, 2/19)

NEW TO PROGRAM? – For children who have not participated in this program before, please take a trip to the Mountain **prior** to the start of the program to familiarize your child with the layout. Please review this information sheet with your child, as well. **PLEASE UNDERSTAND:** this is a very **independent program** where participants ski/ride with a buddy, but without individual supervision. Participants must be able to get themselves dressed and out on the Mountain with minimal assistance. Participants should NOT be first-time skiers. They are **ONLY** part of lessons for 1-hr (if they are enrolled); the rest of the time is free-skiing with buddies. We welcome parent chaperones!

Please find our Monday Ski Coordinator in the Lodge at the beginning of each session. She will be at a table with a **PINK STERLING RECREATION SKI PROGRAM** sign. She will try to be in the same vicinity weekly. This is how we give the mountain an accurate count of who is there and how you will get your voucher coupon if you were to miss a day.

CANCELLATION

If school is canceled due to inclement weather, the program will be canceled. Extra days will be added at the end of the program. If the Sterling Recreation Department cancels you will be notified via email. You may also check: SterlingRec.com, sterling-ma.gov/recreation, Facebook or on our voicemail at 978-422-3041.

CLOTHING & EQUIPMENT

Students should pack a jacket appropriate for the weather/temperature, snow pants, gloves, neck warmer/scarf and hat. Equipment brought from home must be suitable for Mountain use. **We STRONGLY suggest that participants wear HELMETS!** Students that arrive WITHOUT appropriate clothing may have to sit-out to prevent illness or harm. Be sure to clearly **LABEL** all items. We recommend creating a Sunday evening checklist and running through it each week with your child.

FOOD

The ski lodge does have a cafeteria and a vending machine. Snacks or bag lunch may also be brought from home. **Please make sure your child has snacks/lunch or money.** We highly recommend COW cards -- funds can be added online and it prevents loss of cash.

CHAPERONES

Chaperones assist children in getting ready and out to their lessons. Please remind your child that he/she should go to the chaperone if they have any concerns or problems.

BUDDY SYSTEM

It is incredibly important that students never ski/snowboard alone. Please explain to your child the importance of remaining with a “buddy” or in a group throughout the entire time they are at the mountain. Encourage your child to seek help immediately if one of their companions has a problem.

LESSONS

Lessons will start at 4:55. Students are responsible for getting to their lessons – if they are late, the lesson may leave without them. Chaperones will do their best to get all students to lessons.

APPLICATIONS: Please read! Familiarize yourself with the mutual agreement and terms & conditions and additional information on the packet.

RELEASES: Parents must sign both the Wachusett Mountain release and the Recreation Department release before a child may participate in the program.
